RAHUL JAISWAR

Worli, Mumbai, 400030

Phone: +91-9930954372 | rjaiswar257@gmail.com | Portfolio | GitHub

CAREER OBJECTIVE:

A motivated and detail-oriented data analyst with a strong foundation in statistics, data manipulation, and visualization. Seeking to leverage technical and analytical skills to solve complex problems and drive business insights in an entry-level data analyst role.

WORK HISTORY:

Fresher

EDUCATION:

M.Sc. Information Technology, Kishinchand Chellaram College	**B.Sc. Information Technology, Lala Lajpat Rai College of Commerce and Economics**
2022 - 2024 (CGPA: 9.38)	2019 – 2022(CGPI: 9.19)

TECHNICAL SKILLS:

Programming Language: Python, JavaScript, SQL
Data Manipulation: pandas, NumPy
Data Visualization: matplotlib, seaborn, Power BI
Database: MySQL
Frameworks: Django, Dash, ReactJS Basics.
Web Development: HTML, CSS, Bootstrap.
Tools: Excel, Jupyter Notebook, Google Collab, Microsoft Word, PowerPoint, GitHub.

Other Skills: Data Cleaning, Data Wrangling, Data Visualization, Exploratory Data Analysis (EDA), Statistical Analysis, Machine Learning Basics.
Soft Skills: Problem-Solving, Communication, Collaborative Team Player, Attention to Details.

PROJECTS:

Exploratory Data Analysis on Diwali Sales: Link

- Conducted EDA on Diwali sales data using Python, Pandas, NumPy, Matplotlib, and Seaborn.
- Identified trends and patterns in Diwali sales data through statistical methods and data visualization.
- **Tools**: Python, Pandas, NumPy, Matplotlib, Seaborn.

Amazon Sales Data Analysis: Link

- Analyzed Amazon sales data to identify key trends and business improvement areas.
- Created visualizations with matplotlib and seaborn to support data-driven decisions.
- **Tools**: Python, pandas, matplotlib, seaborn.

CERTIFICATES:

- Power BI (Simplilearn) | Certificate
- Pandas (Kaggle) | Certificate
- SQL For Data Science (Great Learning) | Certificate
